## **Educational Bursaries –Pat Grimsley**

Pat Grimsley was an inspirational fund raiser for the Haywood Foundation and despite having an aggressive form of arthritis painted a vast number of pictures which raised funds for the Foundation over many years. When Pat died the Pat Grimsley Educational Bursaries were set up to honour Pat's contribution to the Haywood Foundation. The bursaries are to support rheumatology nurses and allied health professionals to develop their knowledge and skills by undertaking a rheumatology related course at Keele University.

Funding Awarded during 2017 includes:

- ASPIRE Course - three students £3840.00
- MSc Rheumatology Nursing Course – Two students £2470.00
- GCRP Pathway Modules – £1,000
