

Patient Information Education
and Resource Centre

Have you got a few hours to spare each week?

Would you like to

VOLUNTEER

at the Haywood Hospital?

We are looking for volunteers who can help to man the Patient Information Education and Resource Centre (The PIER) based in the out patients area of the Haywood Hospital.

The PIER stocks a wide range of information leaflets and publications associated with arthritis and related conditions. The PIER is free to use and available to all visitors, patients and staff at the Haywood Hospital.

Could you help to:

- Provide access to information for patients and visitors?
- Offer guidance on a range of local and voluntary amenities?

We provide full training, provide a friendly environment to work in and can pay your travel costs.
